Benefits:

- ✓ Integrate orders from over 25+ online and delivery apps directly to OVVI POS
- ✓ Orders get accepted and sent directly to the POS and kitchen printer
- ✓ Save costs by eliminating errors resulting from manual entry of orders
- ✓ Receipts print in the same format as walk-in customer orders, resulting in improved efficiencies
- ✓ Save by reducing labor costs, as the entry of orders into the POS is automated
- ✓ Constant adding more & more regional apps to serve nationwide.
